

# STEM Week Open House

Christa McAuliffe Center at Framingham State University

Friday, October 14, 2022

6:00pm – 8:00pm

Presenting:

Participants of all ages are welcome to attend a FREE Open House event with exhibitors, stargazing, and planetarium films to kick-off Massachusetts STEM Week 2022!

## SHOWCASE OF LOCAL STEM INDUSTRIES

Do hands-on activities with representatives from local STEM industries as they demonstrate the STEM concepts, skills, and expertise behind the technology you use in your everyday life!

## STARGAZING

Use telescopes to observe astronomical objects in the night sky. McAuliffe Center staff on hand to answer your questions about our Universe!

## PLANETARIUM

Watch a film in the Framingham State University Planetarium! Showings of *Big Astronomy* and *Earthrise*.

## MCAULIFFE CENTER REDESIGN PROJECT

Celebrate with us the start of the project which will transform the McAuliffe Center into a modern hub for integrated STEM learning, networking, and community action!
